

# COVENTRY LOCAL SCHOOLS

Destination Excellence: Academics, Arts, Athletics

June 2, 2016

Dear Mr. Walls,

My name is Colleen Vincent. I am the Health teacher at Coventry High School in Akron, Ohio. We were honored to be a part of your simulcast this year. I can't tell you the number of times that I was able to refer to your program and to Nick when I was talking kids through some rough times! I just wanted to let you know that your hard work organizing events, such as this, does make a difference! I teach a lot about attitude as part of my Health class. It's so nice to have an outside agency come in and say the same things that I preach! It helps the kids to see, what I teach, in action!

So as I close out the year, I wanted to respond back to your crew and let them know that I/we value what you have done and thank you for your time! We also appreciate the books! I have loaned them out several times this year, and will continue to do so in the future! We are very excited to be able to move into a brand new high school next year. Please let me know if you have any exciting assemblies to offer. It would be a great way to kick off our new building celebration!

Sincerely,

Colleen Vincent
