Dear Brian Walls,

I am writing this letter to express our deep gratitude to Nick Vujcic for all he has done for our schools. Nick and ASAP made it possible for all of our students to receive his message at the same time. And the message was a powerful one! Students and staff in two of our buildings in our district had the privilege of watching the simulcast and his message resonated with all of them.

Our school is participating in an Ohio, statewide initiative, called PBIS (Positive Behavioral Interventions & Supports). Your simulcast coincided perfectly with our launching PBIS and will help us create safer and more effective schools. The climate in our building is changing for the good and we noticed a ripple effect taking place directly after the simulcast that is helping us reach our goals.

We hope that you will continue to put your simulcast out because all schools can benefit from Nick's experiences and his message.

Thank you,

Susan Blake
