To whom this may concern:

I have been Principal of RB Chamberlin Middle School for 9 years. For the last four years, I have had the pleasure of hosting a speaker through the All School Assembly Program. All speakers have been very motivational and inspiring for kids and adults. The event coordinators kept to the school guidelines of making the day time presentation about positive choices. The voluntary evening program was more faith based. It was well attended by both students and parents. The speakers' quotes and words of inspiration were posted in classrooms and incorporated into class lessons. I highly recommend this program.

Sincerely,

Belinda McKinney
Principal
